### 遊び方 How to play

A4 サイズくらいの紙を土俵にして使い、その上に力士を2人のせる。友だちと床や台を叩きながら、相撲をとり、先に転んだり、紙からはみ出したら負け。

Use A4 sized paper for the Do-hyo (the circle ground on which SUMO wrestling takes place). Put two SUMO Wrestlers on the paper and beat the floor or table continuously with your friend until either of the wrestlers falls down or lands outside the Do-hyo area!
