

Suspension of Publication of "The Perth Express" Magazine

Imanari Media Corporation Pty. Ltd. regrets to announce the suspension of publication of The Perth Express.

The Perth Express is the first Japanese magazine and was launched in February 1998 in Perth, Western Australia. It published 226 issues over 22 years.

This difficult decision has been forced by the digital media having a significantly stronger presence compared to traditional print media and the COVID-19 pandemic crisis during these trying times.

However, I continue to provide professional, researched and accurate information on digital platforms as a flagship of Japanese media in Perth, Western Australia.
